Hayseeds

Two Hayseeds – Dale and Donny saw an add in the newspaper and bought a horse for $100.
Bob agreed to deliver the horse the next day.
The next morning Bob drove up and said “Sorry fellas – the horse up and died last night. Donny and Dale repied “Well then Bob – just give us our money back”
Bob said “Can't do that I spent it already”
They said “Ok then – just bring us the dead horse”.
Bob asked “What in the world are you fellas goin to do with a dead horse?”
Dale said “We goin ta raffle him off”.
Bob said “You can't raffle off a dead horse.”
Donny said - “We sure can. Heck we don't have ta tell anybody he is dead”

A couple of weeks later Bob ran into Dale and Donny in the local bar and asked – “What did you fellas do with that dead horse”.
They said “we raffled him off like we said we wuz gonna do”. “Shucks” Donny said “we sold 500 tickets at $2.00 apiece and made a profit of $898.
Bob said “My Lord – didn't anyone complain?”
Dale said”Well the fella that won got upset so we gave him his $2.00 back”.

Dale and Donny now work for the Canadian Government. They are overseeing the *Carbon Tax Plan!*
